DYNAMICS WORKSHEET Name	St No	Prob:
Pictorial Representation     a. sketch showing important points in the motion     b) coordinate system     c. symbols for knowns and unknowns	on	
known:		
find:		
2) Physical Representation a. motion diagram b. force identification c. free-body diagram		
<ol> <li>Mathematical Representation         <ul> <li>a. start with Newton's first of second law</li> <li>b. include other information as needed</li> <li>c. solve.</li> </ul> </li> </ol>		

## 4) Assess

- a. units?
- b. reasonable?
