

Happy July Birthdays to

☐ Ruth, Jean, Veronica, and Kristine!!!

July Social Friday, July 11th

4:30 pm at Locarno Beach  
(see back for map)

Please RSVP to [volunteer@sfu.ca](mailto:volunteer@sfu.ca) so we have an idea of how many burgers to buy!

The Social is a potluck and a BBQ - the office will provide burgers for any OL's and it's up to you to contribute other snacks, beverages and food. If anyone can bring a mini BBQ please let us know ASAP! To make the social as fun as possible, we also ask that you bring some fun beach activities, CD's, sports equipment and whatever else you might need for a great beach party.

If the weather is questionable that day, check your email for alternate plans.

Did you know...

...about Parent O???

We know you are all busy telling everyone you can about orientation and how great it is. So we thought we'd let you in on some things you may not have heard about.

We have a Parent and Family Orientation that takes place on August 27, 2003.

It's free! All they have to do is register, so point them to the website for more information.

## Upcoming Events

Thanks to all who helped with Blueprints and got the word out there about our great Orientation program!!

## About August Training

This was mentioned at the last training day, but it's always good to see things in writing. As we're sure you know, the next (and final) OL training will be taking place on August 23rd and 24th. For most of the day on the 23rd you will be attending SFU's Leadership Summit. This is an excellent opportunity to get to know other student leaders on campus and learn what they do. You will also gain some valuable leadership skills while you're at it! The evening of the 23rd will then be dedicated to more training specific to Orientation. You'll stay that night in residences, which is a great way to bond with the other OLs and get a chance to see what life in res is like.

August 24th will be a jam-packed day of training, including the "dry-run" of Orientation, so you can see exactly how the days of Orientation will go. Remember, you will be expected to give a tour on this day as part of your training, so please plan out, in writing, your tour route (you will be asked to discuss your route before giving your tour).

We love sticky notes. We love love LOVE them.  
We love Adrian for doing all those blueprints sessions everyday. (a total of 13!!)
