

ESSU meeting minutes – October 27, 2005

In attendance: George Patton, Jeff Catterall, Sandi Grad, Jackie Chau, Colleen Muntener, Magdalena Lesiczka, Steve Cannon, Cor Coe

1. Field books

An idea was submitted by one of the undergraduate students of getting company logos on the field books or other merchandise that we may purchase. This would help bring down the costs, leading to a larger profit. This idea was well received by the meeting attendees and will be further discussed at future meetings

2. Mary Ann Berg will be away for the next two weeks meetings and Jeff Catterall will be running the meetings that she will be missing.
