I'm Hungry: We can get that for you. ([C-5E.Pdf](#))

How do these companies differ in how they do business?

That is:

How does one company differ from another?

How does everyone get paid?

Who are their customers?

As a customer, which would you find the most attractive?

Who are their suppliers?

As a supplier working this gig, which one would be attractive?

Why don't these companies just hire these folks?

Would that make sense?

DoorDash	DoorDash is a food delivery app that helps Dashers deliver food from top restaurants to customers in their area.
Roadie	Roadie is a fast, inexpensive, and simple way for people to get their stuff where it needs to be. Roadie drivers choose the jobs you want to create the schedule you want while earning cash.
goPuff	This the app that delivers snacks, drinks, house stuff, and basically anything you'd find in a convenience store – except they deliver it right to your door super quick, day or night, in over 35 cities across the U.S.
