- Linework done in Illustrator, effects and color done in Photoshop

Animated Video (Freelance)

Sept 2016

- Worked with client to create a script and storyboard
- Created illustrations in Photoshop, animation and effects done in After Effects

ACTIVITIES & INTERESTS

I love music! Specifically, I love to sing and have participated in choirs for over 5 years. I am one of few female tenors and I also played the viola.

My other passion is art. I mainly focus on drawing people using both traditional and digital mediums.
